

CUSTOMER – CARRIER INSPECTION REPORT

Customer: _____ Reg# or B/L#: _____

*** IMPORTANT INFORMATION ***

In our continued efforts to provide our clients with quality moving services, this document is an important part of your relocation and requires completion by both you and your driver. Your initials and the driver's indicate this information has been discussed and reviewed. It has been our pleasure to help manage your move. We are aware you have choices when it comes to a relocation provider and we appreciate you selecting the service of The Golden Companies. **Have a question? Call 800-525-3290.**

ORIGIN – Date: _____

- | | | |
|---|----------|--------|
| <p>1. Customer identified and secured items of personal nature (i.e. jewelry, currency, wallets, purses, change jars, coin collections, securities, deeds, sports memorabilia, cameras, iPods, computer tablets, etc.).</p> | Customer | Driver |
| <p>2. Crew arrived as scheduled and in Atlas/Agent identifiable clothing. The driver and you inspected your property prior to the start of the move. Property damage, existing or new, (i.e. to doors, walls, floors, ceilings, driveway, walkways, lawn, etc.) has been noted below.</p> | Customer | Driver |
| <p>3. Upon completion of loading, both you and the driver again walked thru your home to ensure all items designated for transport have been loaded and your residence/property is in the same condition as when the crew arrived to start the move.</p> | Customer | Driver |
| <p>4. "Special items" (i.e. pool tables, major appliances, large clocks, crating requirements, disassembly of specialty beds, etc.) requiring 3rd party professional service prior to transport have been serviced or you have elected other arrangements.</p> | Customer | Driver |

Comments: _____

DESTINATION – Date: _____

- | | | |
|--|----------|--------|
| <p>1. The moving crew arrived as scheduled and in Atlas/Agent identifiable clothing. The driver and you inspected your property prior to the start of unloading and also at the completion of the delivery. Property damage, existing or new, (i.e. to doors, walls, floors, ceilings, driveway, walkways, lawn, etc.) has been noted below.</p> | Customer | Driver |
| <p>2. If an inventory was prepared at origin, driver provided a check-off or "Bingo Sheet" and explained the delivery process. It is the customer's responsibility to insure all items transported have been received and any <u>visible damage</u>, <u>missing inventoried items</u>, or <u>damaged cartons</u> have been documented.</p> | Customer | Driver |
| <p>3. If requested and authorized, items disassembled at origin <u>by the carrier</u> have been reassembled (i.e. conventional beds, tables, dresser mirrors reattached, etc.) and all debris associated with unpacking and/or unwrapping has been removed at this time.</p> | Customer | Driver |
| <p>4. "Special items" (i.e. pool tables, major appliances, large clocks, uncrating requirements, assembly of specialty beds, etc.) requiring 3rd party professional service has been scheduled, completed or you have elected other arrangements.</p> | Customer | Driver |
